Fall 2009 Recap

The Fall 2009 soccer season was a huge success!

As a region, we reached several new milestones that demonstrate our commitment to continually improving the AYSO program in Tri County and making it a youth sports program we can all be proud of.

Here are some of the highlights:

- Player registration reached an all-time Fall season high of **170 players!!**
- The **VIP program** for special needs players began its **first season**. Be sure to thank Connie Radick, our VIP coordinator, for her hard work and dedication in getting this program started!
- **Bronze Level** Regional Assessment Program Award. This is a major milestone for our Region and indicates that we are adhering to the philosophies and

standards of the American Youth Soccer Organization.

- Awarded the Area's **"Good Sportsmanship"** travelling trophy (on display at the concession stand).

The award is voted on by each of the neighboring regions and reflects the high standards of conduct of our spectators, players, and coaches
