Lakeshore Volleyball camps are designed to improve the individual player in skills and concepts of the game of volleyball. These improvements in the player will lead them to more success on the high school court for them as for their team.

Chris Bosse is head of the camp. He currently is the varsity coach at Pentwater High School as well 7th grade coach at Hart. He also runs Lakeshore volleyball club which this past season had 70 kids in it from West Michigan area.

My goal is to give your daughter a quality camp at a fraction of the cost of the bigger camps. Usually we have a 7 to 1 ratio of campers to coach which means lots of individual attention. Several of my past players have gone on to the college level and many are coaches now. I am looking forward to working with your daughter and helping improve her skill level. My best,
