## **Tri County Says Goodbye to Many Long Time Employees**

---

The end of the 2009-2010 school year marks a significant change for Tri County Area Schools. TC is bidding farewell to several people who have dedicated their careers to working with students and making a difference in education both in and out of the classroom. Tri County will say goodbye to long time friends and colleagues, as well as years of knowledge, experience, and leadership. We wish our friends the very best as they enter a new and exiting phase of their lives. We will surely miss them!
