This year, "Vikings for a Cure" will be in its third year! We are very excited to join in a unified effort with the entire Lakes 8 Conference this year. On October 1st, we will be "tackling cancer" as we host the Newaygo Lions. Both Varsity teams will be decked out in Purple & White uniforms, the universal color for the fight against cancer. These special white & purple jerseys can be sponsored by community members as a way of paying respect to those who have battled cancer.

The cost for a jersey is \$75 with \$40 going to cancer research!!

Please fill out the order below and mail (along with a check made out to the TC Sports Boosters) to: TCHS—Tackling Cancer
