Kindergarten 2012-2013

February 1, 2012

If you have a child who will be five years old on or before December 1, 2012 they are eligible to attend Kindergarten in the fall.

Information regarding registration will be sent to all those who pre-register by calling our office at 231-937-4380 or email sbogardus@tricountyschools.com. We will need the following information when you call: Child's name, sex, birth date, parent (s) name, mailing and street address and phone number.

Good-bye Mrs. Dewey! Welcome Mrs. Brasington!

After 38 years of service to Tri County Area Schools, Mrs. Dewey has retired. We thank Mrs. Dewey for her time here at MacNaughton and wish her the best in her retirement. Mrs. Brasington will be taking Mrs. Dewey's place. Mrs. Brasington has taught kindergarten and Title I at MacNaughton in previous years. We are delighted to have her back as a second grade teacher.

Raz-Kids

Kids love to learn on their computers! Has your child told you about using Raz-Kids at school? If not, ask them about this fun reading program. Many of our teachers are using it in their classrooms and the students are really enjoying it. Your child can use this reading program on your home computer too. All you need is your user name and password. If you don't know yours, please contact your child's teacher and they will give it to you. We hope you will take advantage of this FREE learning opportunity.

Conferences

We are already preparing for our conferences at the beginning of March. You should be receiving a letter this week asking for your preferred conference times. Please complete the information on your letter (one for each child that attends MacNaughton) and return it as soon as possible. Communication between our parents and their child's teachers is a vital part of our students' success. We would love to have each child represented at our March conferences.

Visitors-Please check in at the office

We have been working hard to make sure that all visitors check in at the office before going down our hallways. Many of you volunteer in our building on a regular basis and although you are familiar to most of our staff, we still ask that you take a visitor badge before going to your classroom to help. We are thankful for our many volunteers and appreciate all you do for our students. This rule has been put in place for the safety of our students and staff and to limit disruptions to the classrooms. Thank you for your continued help with this.

O.M. Spots Available for First & Second Grade

We need one more boy for the first grade Odyssey of the Mind team and a few more second grade (boys or girls) to be part of our team. Practices are held after school on Tuesdays for 2nd graders and on Thursdays for 1st graders. For more information contact Mrs. Steenland by email. csteenland@tricountyschools.com

Lost & Found

If you have a chance to check our Lost & Found during February, it is overflowing with coats, hats, gloves, mittens, sweatshirts and miscellaneous items. Any items that have not been claimed by March conferences, will be donated.

Label Belongings

Please try to label your child's winter clothing before they wear it to school. We have so many items in our lost and found and because they have no name in them, we are unable to return them to their owner. Many times there is only a small label inside a winter hat so even if you could write your child's last name on the label, it would help us to track down who it belongs to. Also, if you could label your child's lunch box, inside or out. These often get misplaced. Thank you for your help!!
