

## MacNaughton Field Trip Permission Slip

On occasion teachers at our school may take their students on a walking/bus field trip. If you would like your child to go on these trips, please fill out this permission slip and return it to school. One permission slip will sufficiently cover all walking/bus field trips during the 2008-2009 school year. You will be notified of the trip in advance.

I am granting permission for \_\_\_\_\_ to accompany his/her class on all walking/bus field trips.
