TURKEY TROT:

The 12th Annual Tri County Turkey Trot was well attended again this year. Although the event had to be rescheduled and took place two weeks later than planned, over 250 people participated in the event with many more on hand to watch. The temperature was a bit low, but the excitement level was quite high all night long! Mr. Stoll thanks all those who volunteered their time to help with the event and those who helped be sure the children were able to attend, and he also congratulates all those who participated. Thanks for making the Turkey Trot a special night for all who attend!
