School Annual Education Report (AER) Cover Letter Sand Lake Elementary

February 15, 2023

Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER), which provides key information on the 2021-22 educational progress for Sand Lake Elementary. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Julie Scott, Principal for assistance.

The AER is available for you to review electronically by visiting the following website www.tricountyschools.com, or you may review a copy in the main office at your child's school.

For the 2021-22 school year, schools were identified based on previous years' performance using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that had at least one underperforming student subgroup in 2021-22. An Additional Targeted Support (ATS) school is one that had a student subgroup performing at the same level as the lowest 5% of all schools in the state in 2021-22. A Comprehensive Support and Improvement (CSI) school is one whose performance was in the lowest 5% of all schools in the state or had a graduation rate at or below 67% in 2021-22. Some schools are not identified with any of these labels. In these cases, no label is given.

Our school **has not** been given one of these labels.

KEY CHALLENGES

Sand Lake Elementary continues to work hard to improve the academic achievement of all students. Efforts to improve teaching and learning have been focused on mathematics, reading and writing. These efforts include a focus on student data, research-based instructional practices, and school wide professional development. The 2023 school year has still seen challenges emanating from the COVID pandemic, and the economic hardships placed on our families. As a result, Sand Lake Elementary remains focused on meeting the social and emotional needs of our students during this time as well as delivering academic support to students who experienced a gap in learning due to COVID related absences.

State law requires that we also report additional information.

1. PROCESS FOR ASSIGNING PUPILS TO THE SCHOOL

Tri County Area Schools (TCAS) has a K-2, 3-5, 6-8, and 9-12 school building. Students in the district attend the appropriate building for their grade level, according to geographic boundaries, and school of choice requests.

2. *THE STATUS OF THE 3-5 YEAR SCHOOL IMPROVEMENT PLAN*

TCAS reviews the school improvement plans through a yearly process that is guided by a belief in shared ownership between school administration, staff, and our community. At the district and building level, leadership teams continue to work on activities that focus on raising student achievement. At Sand Lake Elementary, these efforts remain tied to areas of curriculum, assessment and instruction. Copies of our school improvement plan for previous years can be accessed on our website.

3. *A BRIEF DESCRIPTION OF EACH SPECIALIZED SCHOOL*

While the district does not offer a specialized school, we continue to maintain special classes of physical education, music, art.

4. *IDENTIFY HOW TO ACCESS A COPY OF THE CORE CURRICULUM, A DESCRIPTION OF ITS IMPLEMENTATION, AND AN EXPLANATION OF THE VARIANCES FROM THE STATE'S MODEL*

A copy of the core curriculum may be obtained by contacting our school office. The core curriculum includes essential standards, resources, assessment targets, and pacing guides. It is built upon the Michigan Department of Education approved Common Core State Standards (CCSS) for Mathematics and English Language Arts. In addition, we follow the Michigan version of the Next Generation Science Standard (NGSS) and Michigan State Standards for Social Studies.

5. *THE AGGREGATE STUDENT ACHIEVEMENT RESULTS FOR ANY LOCAL COMPETENCY TESTS OR NATIONALLY NORMED ACHIEVEMENT TESTS*

All Sand Lake Elementary students take the nationally normed NWEA/MAP test in reading and math. This data helps us see how our students compare to others around the nation, the rate of students' academic growth, and which students may need more support or challenge. Winter 2023 data is provided. Growth scores are compared Winter of 2022 to Winter of 2023.

READING: Third through fifth grade students scoring in the 50th percentile and higher in NWEA/MAP reading grew to 51% up from 50% in the winter of 2022. In 2022, 55% females scored in the 50th percentile or higher in reading, while 49% of males did--both scores represent a slight increase from 2021. 57% of general education students achieved scores in the 50th percentile or higher as compared to 27% of special education students in the Winter of 2023, which also represents a slight increase from 2021. 46% of our free and reduced students performed above the 50th percentile as compared to 64% of our non-free and reduced.

MAP Quartiles - School

District: Tri County Area Schools
School: Sand Lake Elem School
Subject: Reading

Term: Winter 2023
Grade Level(s): 3rd Grade, 4th Grade, 5th Grade

Printed on 2/13/2023 by Julie Scott

MATH: In 2023, 46% of third through fifth grade students scored in the 50th percentile and higher in NWEA/MAP math representing no increase from 2022. In 2022, 44% females scored in the 50th percentile or higher in math, while 49% of males did. This is no significant change from 2022. 51% of general education students achieved scores in the 50th percentile or higher as compared to a 1% decline for special education achievement in math to 23% in 2022. 39% of our free and reduced students performed above the 50th percentile as compared to 60% of our non-free and reduced lunch students.

6. IDENTIFY THE NUMBER AND PERCENT OF STUDENTS REPRESENTED BY PARENTS AT PARENT-TEACHER CONFERENCES

Parent and community support are key components in the success of our programs. In the fall of 2022, 94% of parents attended conferences. That is down from 2021 where 100% of our parents attended conference. Parents were able to choose to have an in-person, virtual, or phone conference in the fall of 2021, as well as the fall of 2022.

Sand Lake Elementary School strives to serve our students and our community by providing a high-quality educational environment. By working together, we have shown that great things are possible when students, parents, community, and staff work together in partnership to grow learners. Our data confirms that we are succeeding in our mission to educate, encourage and empower students, and we are challenged to continue to raise the bar for achievement.

Sincerely,

Julie Scott, Principal
Sand Lake Elementary

NAEP Participation Data

Grade	Subject	Participation Rate for Students with Disabilities Excluding Students with 504 Plans	Standard Error	Participation Rate for Limited English Proficient Students	Standard Error
4	Math Reading	80.7 83.5	4.04 3.27	95.0 94	2.55 2.37
8	Math Reading	86.9 89.3	1.98 2.33	95.0 95.7	2.21 1.91

The National Assessment of Educational Progress (NAEP) is periodically administered by the U.S. Department of Education based on assessments administered to samples of students in each state. Federal regulations require the display of state level NAEP data on the Annual Education Report. These data represent the performance of the most recent sample of Michigan students on the NAEP.
